April 2010

## NEW SRAM X9 - 2X10 - THE LIMIT IS YOU

### SRAM INTRODUCES A FULL SRAM X9 PRODUCT DRIVETRAIN FAMILY

If racing is not your profession but riding a bike is your passion, the new **SRAM X9 drivetrain family** is your reliable choice. No matter if you ride the trails with your friends, consider bike parks your weekend home or can't get enough of exploring the mountains with your bike.

The new **SRAM X9 family** benefits from the first ever **2x10 XX shifting technologies** which provide smooth and quick shifting. Complimented by the award winning **Avid Elixir CR brake** you get control and safety added to this exciting new drivetrain package.
